Unterlinden Table Lamp

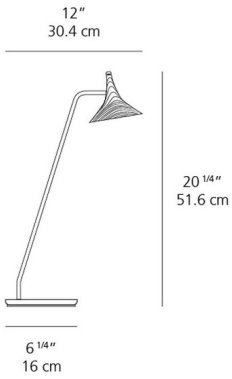

By Artemide

Description

Introducing the Unterlinden Table Lamp, a minimalist yet evocative design that brings focused illumination and contemporary style to any surface. This elegantly streamlined lamp features a thin black metal stem and base, offering a clean, architectural silhouette that seamlessly integrates into modern interiors.The lamp is distinguished by its sophisticated shade, available in either a rich Bronze or sleek Aluminum finish. This choice allows for subtle customization, letting you select the perfect metallic accent to complement your existing decor. The shade houses an integrated 7-watt 120-volt LED light source, providing efficient and focused illumination perfect for reading or task lighting.For ultimate control over your ambiance, a convenient dimmer is cleverly integrated directly on the shade, allowing you to effortlessly adjust the light intensity. The Unterlinden Table Lamp is an ideal choice for a chic bedside table, a functional desk lamp, or as an elegant accent on a living room console, offering both practical light and sculptural appeal.
