Blink Mini Pendant

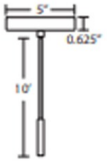

By Besa Lighting

Description

The Blink Mini Pendant composed of a transparent closed-bottom cylinder glass, with a clear bottom portion that is separated from the transparent color top by an interesting cut ellipse through the center. The play of light through through the cut ellipse makes for a pleasing optical affect, enhanced by the exposed light source positioned inside the shade. This fixture would stand on its own, but would also look fabulous in a grouping. Includes ten feet of adjustable cord that matches the finish.

Shown in black / transparent blue
