Sulu Mini Pendant

By Besa Lighting

Description

The Sulu Mini Pendant is composed of a transparent Amber, Clear, Smoke or Blue radiused cone-shaped glass, with a bottom clear point and an interesting bubble pattern blown randomly throughout the glass. The pleasing play of light through each shade's bubble accents make for a striking affect, created by the exposed light source positioned inside the shade. This fixture would stand on its own, but would also look fabulous in a grouping. Includes ten feet of adjustable cord that matches the Black, Bronze or Satin Nickel finish.
