DESCRIPTION

The Bravo Mini Pendant is composed of transparent Gold geometric-shaped glass, with a bottom angled point and Black or Bronze painted framing along the perimeter of the glass. The pleasing glow of light through each shade's golden tint make for a striking affect, created by the exposed light source positioned inside the shade. This fixture would stand on its own, but would also look fabulous in a grouping. Includes ten feet of adjustable cord that matches the Black or Bronze finish. UL listed for damp locations. Title 24 compliant.
