Jilly Mini Pendant By Besa Lighting

Description

The Jilly Mini Pendant is a contemporary design composed of a transparent Amber Vapor, Clear Vapor or Smoke Vapor glass globe. A mysterious vapor-like patterning throughout the glass to partially conceal the inner portion of the shade. The play of light through the vaopr glass makes for a pleasing optical affect, enhanced by the exposed light source positioned inside the shade. This fixture would stand on its own, but would also look fabulous in a grouping. Includes ten feet of adjustable cord that matches the Bronze or Satin nickel finish. UL listed for damp locations. Title 24 compliant.

Shown in bronze / amber vapor
