Benji Mini Pendant

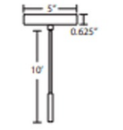

By Besa Lighting

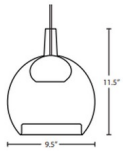

Description

The Benji Mini Pendant is composed of an outer transparent Blue, Smoke or Clear glass globe, with an inverted lip blown into the glass bottom and an inner Natural or medium wood globe for concealing the light source. The addition of real wood perfectly complements the glass and adds a splash of warmth. This fixture would stand on its own, but would also look fabulous in a grouping. Includes ten feet of adjustable cord that matches the Bronze or Satin Nickel finish.

Shown in bronze / clear / natural wood
