Ally Pendant

By Besa Lighting

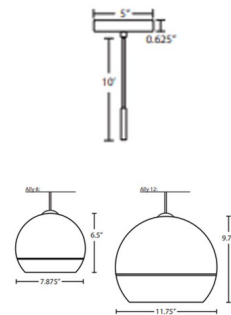

Description

The Ally Amber Pendant is a contemporary design composed of a transparent Amber, Blue or Smoke glass globe, with a clear bottom that is separated by an interesting cut perimeter line. The play of light through the cut ellipse and bottom clear portion makes for a pleasing optical affect, enhanced by the exposed light source positioned inside the shade. This fixture would stand on its own, but would also look fabulous in a grouping. Available in two sizes. Includes ten feet of adjustable cord that matches the Bronze or Satin nickel finish. Ideally suited for a vintage style bulb. UL listed for damp locations. Title 24 compliant.
