Zen Mini Pendant

By Besa Lighting

Description

The Zen Mini Pendant is composed of a Clear, Blue or Moss hour-glass shaped glass, with an interesting bubble pattern blown randomly throughout the glass. The pleasing play of light through the shade's bubble accents makes for a striking affect, created by the exposed light source positioned inside the shade. This fixture would stand on its own, but would also look fabulous in a grouping. Includes ten feet of adjustable cord that matches the Bronze or Satin nickel finish. Ideally suited for a vintage style bulb. UL listed for damp locations. Title 24 compliant.
