Dano Mini Pendant By Besa Lighting

Description

The Dano Mini Pendant features an outer transparent Clear or Smoke glass cone, with an inner Natural or Medium wood cone for concealing the light source. The addition of real wood perfectly complements the glass and adds a splash of warmth. This fixture would stand on its own, but would also look fabulous in a grouping. Includes ten feet of adjustable cord that matches the Bronze or Satin nickel finish.

Shown in bronze / clear / natural wood
