Scepter Wall Light

By Modern Forms

Description

The Scepter Wall Light is finished in Aged Brass for a toned-down take on the luxe decor trend. A solid crown of V-cut seeded crystal is affixed to the top for a glamorous refraction, creating a beautiful play of light and shadow on the wall. Meanwhile, the hidden downward-illuminating LED module provides plenty of ambiance and enough illumination for spatial orientation in low light areas. Available in Aged Brass. Damp location rated. ADA compliant. ETL listed.
