Wynd DC Ceiling Fan with Light By Modern Forms

Description

Transitional style meets smart technology in the versatile Wynd Ceiling Fan. The 42 inch size is ideal for bedrooms, patios, and breakfast nooks. The LED luminaire, powered by WAC, takes this design from beautiful to brilliant. Available in Matte White, marine-grade Stainless Steel, Bronze, or Graphite with Weathered Grey blades. Includes one 4.5 inch downrod and luminaire cap for use without light. 42 or 52 inch blade sweep. Every Modern Forms fan is rated and finished for interior and exterior use, coordinates with smart devices, is powered by a quiet DC motor up to 70% more efficient than AC motor fans, and is WiFi and RF enabled for unlimited wireless control. Download the Modern Forms app to control your fans from anywhere in the world. Includes one RF wall panel for local control. Slope ceiling adaptable up to 30 degrees. For slopes 31-45 degrees, Slope Ceiling Fan Kit available, not included.
