Aspen Outdoor Wall Sconce By Visual Comfort Modern

Description

The sleek rectilinear Aspen Outdoor Wall Sconce creates an elegant column of diffused multidirectional light, ideal for wayfinding or general outdoor illumination. Its die-cast aluminum construction, powder coat finish, and stainless steel hardware ensure durability against harsh elements. This light is equipped with an energy-efficient integrated LED module and universal 120-277V driver with integrated transient 2.5 kV surge protection. 8, 15, 26, and 36 inch high fixture: ELV and 0-10V dimmable. 48 and 60 inch: TRIAC, ELV, and 0-10V dimmable. Four option selections are available: inline fuse, surge protection, both the fuse and surge protection, or no options. The Natural Brass is a living finish that will patina and warm over time, enhancing its richness. If the patina becomes uneven or spotty, a brass cleaner can restore the finish. Note: Some options are not available in every size or finish.
