Thin-Line Pendant

By SONNEMAN - A Way of Light

Description

The Thin-Line Pendant is sleek and minimal in form, embodying geometric architectural style and integrating beautifully into modern spaces. Made of aluminum and an optical acrylic diffuser, it is both stylish and functional. Use it to illuminate a range of settings including dining and kitchen areas, offices, and commercial interiors. Two configurations are available: One-Sided: directs light in a single direction, can be installed as an uplight or downlight. Two-Sided: directs light both up and down (light sources can be controlled independently). Notes: The included LED driver must be installed in a remote accessible location near the fixture. 2700K and 3500K color temperatures are only available for: 48 inch Satin Black, Satin White, Bright Satin Aluminum. 72 inch Satin Black, Satin White. Optional Mini Canopy accessory sold separately.
