Votives Laser-Etched Crystal Wall Bar - Floor Model

By SONNEMAN - A Way of Light

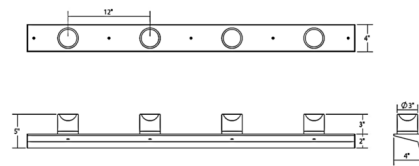

Description

Votives Laser-Etched Crystal 48 Inch Wall Bar features a linear arrangement of LED lights set in a wall-mounted plinth that evoke the sensation of candlelight through a cylindrical laser-etched crystal glass diffuser, with an additional light source beneath each votive to cast a cone of illumination on the wall above and below. TRIAC and ELV dimming. Note: Includes driver which needs to be installed in an accessible nearby location.

Shown in bright satin aluminum / large laser-etched crystal
