Duplo Dinamico Metal Ceiling Fan

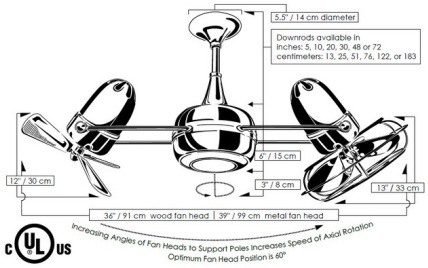

By Matthews Fan Company

Description

The Matthews-Gerbar Duplo Dinamico Metal Ceiling Fan brings timeless sophistication to your space. The fan heads can be infinitely positioned in 180 degree arcs for optimum air movement. The greater the angles of the motors to the horizontal support rods, up or down, the faster the axial rotation. A slow, controlled axial rotation is achieved by both fan head position and fan blade speed.Available in a variety of finishes with matching metal safety cage. Features a 19 degree blade pitch and 13 inch diameter per head. Includes a flat ceiling canopy, one 10 inch downrod, and a 3 speed Decora-style wall control in White. UL and cUL listed. Limited lifetime warranty. Additional downrod lengths and vaulted ceiling canopy sold separately.

Shown in polished chrome
