## Melody Wall Fan

By Matthews Fan Company

### Description

The Atlas Fan/Melody Wall Fan is an oscillating, 3-speed wall mounted fan providing maximum multi-directional airflow. It can be mounted in small, awkward spaces or in front of HVAC ducts to make more efficient the heating, ventilation, or air conditioning of any room. Constructed of cast aluminum and heavy stamped steel. Includes a 3-speed Decora-style wall control in White. Limited lifetime warranty. Optional 3 speed RF remote control sold separately. Note: The remote control receiver will not fit behind the wall canopy. A clever electrician will need to hide the receiver in wall or ceiling according to code.

Shown in textured bronze
