Bicoca Cordless Table Lamp

By Marset

Description

Bicoca Table Lamp is born with the optimism of brightening life and accompanying the good times, wherever you go. This lightweight, polycarbonate portable lamp emits a soft light, adding warmth to your space. Three separate accessories increase the applicability and versatility of the lamp. A powerful magnet can be affixed to the bottom of the fixture, allowing you to place it to metal surfaces -even vertical walls- defying gravity. An armchair accessory drapes over armrests, sofa backs, or headboards, so you can bring your Bicoca to all your personal reading spaces. And a metallic disc accessory hides discreetly beneath the tablecloth, securing your Bicoca to the table. Battery operated with a charging time of 10 hours and usage of 5 hours in peak power, 10 hours in half power, and 20 hours in quarter power.
