Yanzi Pendant

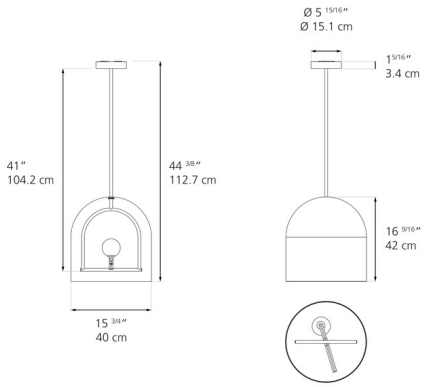

By Artemide

Description

The Yanzi Pendant offers a sharp, modern look imbued with a captivating touch of whimsy, sure to make a unique statement in any contemporary space. This truly distinctive fixture features a clear glass shade with an inner black steel metal loop that artfully resembles a bird's perch, drawing the eye upwards with its refined silhouette. Adding to its charming narrative, an Opal glass orb diffuser is meticulously set into a brushed brass-finished bird body, creating a soft, inviting glow. This delightful detail brings a touch of nature-inspired elegance into your home, transforming a functional light source into a miniature sculpture.The harmonious blend of the clear glass, sleek black steel, and warm brushed brass with the diffused opal light makes the Yanzi Pendant a sophisticated and intriguing piece. It's ideal for adding an artistic focal point over a dining nook, a kitchen island, or within an entryway, providing both ambient illumination and unparalleled personality. Please note that the stem is not field adjustable, ensuring its precise design integrity.
