Pi 120V Outdoor Wall / Ceiling Light

By Modern Forms

Description

The weather-resistant Pi 120V Outdoor Wall / Ceiling Light handles outdoor elements with ease, and its refined industrial style makes it just as suitable for indoor applications. Its durable body is made of either aluminum finished in a black powder coat or 316 marine grade stainless steel, and it offers task and ambient lighting dispersed through a lightweight injection-molded acrylic diffuser. Installation is a snap with the user-friendly twist lock mechanism. This light uses AC LED driverless technology and is dimmable with an ELV dimmer, sold separately.

Shown in stainless steel / white
