## Low Profile IV Ceiling Fan

By Hunter Fan

### Description

The Low Profile IV Ceiling Fan is perfect for those looking for a classic-style fan with a hugger design for smaller spaces with low ceilings. Its blades are reversible for most finishes, offering flexibility in coordinating with your room decor. Equipped with a 3-speed WhisperWind motor, the fan operates quietly and delivers powerful airflow to create a comfortable environment. A pull chain is used to turn the fan on or off and change speed. Fan direction can be reversed using a switch on the fan. Optional accessories are sold separately.
