Newsome Low Profile Ceiling Fan with Light By Hunter Fan

Description

The Newsome Low Profile Ceiling Fan with Light combines a classic design with modern technology. Equipped with a 3-speed WhisperWind motor, it quietly delivers refreshing airflow, while its trio of LED bulbs provide soft ambient lighting. Reversible blades allow you to customize the look of the fan to suit your tastes. With its low profile, this fan is especially suitable for small bedrooms or dining areas, and other small spaces with low ceilings. Pull chains are included for turning the fan on/off, adjusting speed, and turning the light on/off. Fan direction can be reversed using a switch on the fan. Optional accessories are sold separately.
