## Newsome Low Profile Ceiling Fan with Bowl Light

By Hunter Fan

### Description

For a classic design with modern technology built in, choose the Newsome Low Profile Ceiling Fan with Bowl Light to cool your space. Its 3-speed WhisperWind motor quietly delivers comfortable air circulation, while LED bulbs shine through a glass bowl diffuser to provide a soft ambient light. With its reversible blades, the fan can be tailored to complement the color scheme of the room. Its low profile is ideal for small bedrooms, laundry rooms, and other small spaces with low ceilings. Pull chains are included for turning the fan on/off, adjusting speed, and turning the light on/off. Fan direction can be reversed using a switch on the fan. Optional accessories are sold separately.
