Warrant Ceiling Fan with Light

By Hunter Fan

Description

The Warrant Ceiling Fan with Light combines a retro body with reversible windmill-like blades and rivet details, integrating well into farmhouse style interiors or introducing a dash of vintage to modern settings. Its quiet yet powerful 6-speed DC motor and wide blade span achieve optimal airflow to refresh your space, and the integrated LED module provides soft ambient lighting. The Warrant is ideal for large areas such as great rooms, open concept layouts and lofts. A wall control is included and enables motor on/off, speed adjustment, forward and reverse, light on/off and dimming. Optional accessories are sold separately.
