DESCRIPTION

Verge Ceiling RGBW (Red-Blue-Green+White) features a slim plaster-in aluminum channel with a 4 inch paintable aluminum backer plate which highlights ceiling perimeters while emitting ambient illumination. Verge RGBW Ceiling is sold in 5 foot increments up to 15 feet and may be field-cut to any length. Verge RGBW houses a 6 watt per foot commercial grade color changing and 2000K white color temperature LED. Requires a Dynamic Color Changing (DMX) power supply and can be controlled using a CTP touch screen controller, CDP color dial controller, or CDMX1-RGBW touch controller. Included Components: Junction Box, Adjustable Mounting Bars, Backer Plate, Verge Ceiling Channel(s), Drywall Screws, LED Soft Strip and Lens(es). A VG-1RE-JBOX rough-in junction box is available to rough-in electrical before drywall installation (included and sold separately). ETL listed. Suitable for damp locations. Includes a 5-year pro-rated warranty. Required power supply, controller, and optional mounting accessories sold separately. Product is built to order.
