## Kelvin LED Floor Lamp

By FLOS

### Description

The Kelvin LED Floor Lamp was created with the idea of combining seemingly simple structures with innovative technology. A square-shaped, directional lamp head with a flat LED panel is supported by a sleek aluminum arm, allowing the light source to be aimed for reading or other tasks. The dimmer button on top of the lamp head features 3 brightness levels (100% / 70% / 40%).

Shown in anthracite
