Tolomeo LED Mini Desk Lamp with In Set Pivot

By Artemide

Description

Achieve a sleek, integrated lighting solution with the Tolomeo LED Mini Desk Lamp with In Set Pivot, a design that combines iconic adjustability with a discreet mounting option and advanced LED technology. This versatile lamp features a fully articulated arm crafted from extruded aluminum, offering precise directional control. The signature die-cast aluminum joints and tension-control knobs, along with stainless steel tension cables, ensure smooth movement and lasting durability. Available in a refined Aluminum finish, this lamp seamlessly blends into any contemporary interior. Its innovative in-set pivot support requires a precise hole for flush mounting, accommodating surfaces up to a specified depth, creating a clean, unobtrusive look. An integrated LED light source provides efficient, high-quality illumination, and a convenient dimmer switch is incorporated directly on the head for intuitive control. The diffuser provides focused light and rotates a full 90 degrees for optimal positioning. UL listed for safety, customers appreciate its minimalist footprint and impressive functionality for built-in applications. Ideal for custom desks, bookshelves, or integrated workspaces where a clean aesthetic and flexible, energy-efficient lighting are paramount, the Tolomeo LED Mini Desk Lamp with In Set Pivot offers a sophisticated and tailored illumination experience.
