Tolomeo Micro LED Desk Lamp

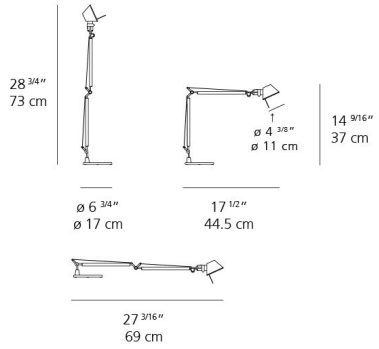

By Artemide

Description

Discover refined task lighting with modern efficiency in the Tolomeo Micro LED Desk Lamp. This elegant fixture features a stable round base in weighted steel, providing a solid foundation for its fully adjustable articulated arm crafted from extruded aluminum. The signature joints and tension control knobs, made from polished die-cast aluminum, ensure fluid movement and precise light positioning. The diffuser is impressively tiltable and rotatable a full 360 degrees, allowing you to direct light with precision for any task. An integrated LED light source provides bright, energy-efficient illumination, while a convenient dimmer switch is located on the cord for easy adjustment. UL listed for safety, customers consistently laud its perfect size for compact spaces and excellent focused light. Ideal for bedside tables, small workspaces, or any area where precise, stylish, and contemporary LED illumination is desired.
