Light Channel 45Deg Surface Mount Complete Fixture

By PureEdge Lighting

Description

The Light Channel 45 Degree Surface Mount is a slim profile channel available in 12 inch increments up to 120 inches. The 45 degree angle design provides enhanced flexibility when it comes to illuminating challenging areas. Features a white diffuser lens (eliminates LED dots) or a clear lens (will show LED dots) for maximum light levels. Includes LED module in a variety of color temperature options, a 72 inch power connector (1 per fixture) and mounting clips (included with every 2 feet of channel). The PS-60L-ELV-24VDC power supply will fit inside a standard junction box. A remote Universal power supply up is required for larger power supplies. Required power supply, dimmer control, and optional mounting accessories sold separately.
