DESCRIPTION

The Light Channel .6 is a slim profile made-to-order complete fixture designed to be recessed into millwork. Available in 12 inch increments up to 120 inches available in a 2 (2.5 watts), 5 (4.4 watts) or 7 (7.3 watts) watts per foot options in a variety of color temperature options. Features a 61 degree diffused lens or a clear 26 degree lens for maximum light levels. Included components: Light Channel .6 Millwork Channel, 24VDC LED Strip, 96 inch solderless Snap & Light Power Connector (one per fixture), mounting clips (included with every 2 feet of channel), lens, and end caps. System requires a 50 watt (PS-60L-ELV) ELV power supply which fits inside junction box (dimmable with ELV), or a remote Universal (UNI) power supply (dimmable with ELV/TRIAC/0-10V). Power supply, dimmer control, and optional mounting accessories sold separately. Note: Length reflects overall length including end caps (see attached chart for overall recessed length without end caps and illuminated lengths). Product is built to order.
