Light Channel .6 7W Millwork - Overstock

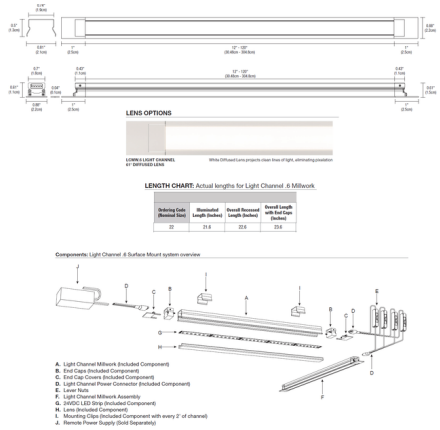

By PureEdge Lighting

Description

The Light Channel .6 is a slim profile made-to-order complete fixture designed to be recessed into millwork.Available in 22 inch length available in with 7 (7.3 watts) watts per foot in 2700K color temperature with a diffused lens. Included components: Light Channel .6 Millwork Channel, 24VDC LED Strip, 96 inch Power Connector (one per fixture), mounting clips (included with every 2 feet of channel), lens, and end caps. System requires a 50 watt (PS-60L-ELV) ELV power supply which fits inside junction box (dimmable with ELV), or a remote Universal (UNI) power supply (dimmable with ELV/TRIAC/0-10V). Required power supply, dimmer control, and optional mounting accessories sold separately.Note: Length reflects overall length including end caps (see attached chart for overall recessed length without end caps and illuminated lengths). Product is built to order. NOTE: This is a discontinued model and limited to quantity on hand.
