By Arteriors Home

Description

The Owen Ottoman is a soft, overstuffed hide stool that provides a cozy spot for your feet. Its surface features various hide swatches in shades from dark mocha to warm auburn, showcasing natural grain and texture. Each piece is beautifully finished with careful upholstery that hides the interior stitching. The drum shape sits on disk feet made of top grain leather. Keep in mind that the hide's colors, patterns, and textures will differ from piece to piece.
