Mahowald Fixed Chandelier

By Arteriors Home

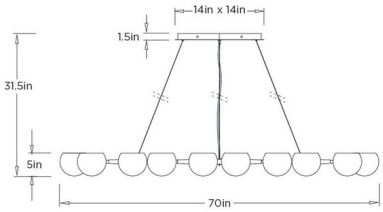

Description

The Mahowald Fixed Chandelier makes a striking modern statement with its sculptural, branch-like form. Dozens of uniquely crafted steel pipe joints converge to create an intricate network that supports 16 lamps, each fitted with a crackled glass globe designed to cast unfiltered light upward. Suspended from a matching antique brass canopy by four steel cables, the fixture appears to float effortlessly within the space. Combining artistic expression with architectural presence, the Mahowald is ideal for dining rooms, living spaces, and grand entryways. Certified for damp locations and intended for interior use.

Shown in antique brass / clear
