Expansion Wall / Ceiling Light

By Blankblank

Description

The Expansion Wall / Ceiling Light, designed by Rob Zinn, is a uniquely shaped fixture that features satin white layers applied with a variety of colors on the back of each layer that have a subtle glow in natural light but intensify to a brilliant glow when illuminated or left in darkness. Available in two sizes in one of eight finishes: Cool, Corona, Major, Minor, Pine, Sky, Sorbet, or Warm. Lamping options include E26 incandescent or GU24 LED, Title 24 compliant. May be wall or ceiling mounted. Made in the USA.
