Currey and Company

DESCRIPTION

The Arden Chest features glass panels that have been reverse-painted in silver peony, a charming shade of pink. The panels cover the top, bottom, and sides, and the top is beveled. Solid brass trim, hardware, and legs add a touch of glamour. The drawers run on soft-close glides, and adjustable glides on the legs provide floor protection. This chest draws inspiration from a 1970s reverse-painted glass antique found at a Paris flea market.
