Spitfire AC Indoor / Outdoor Ceiling Fan

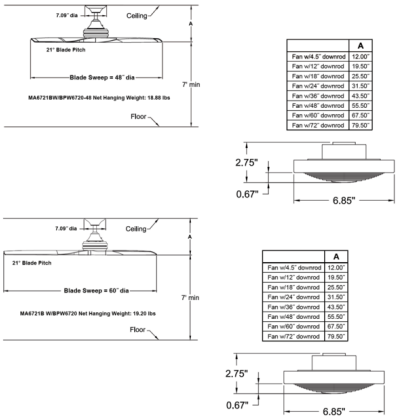

By Fanimation

Description

Spitfire Indoor/Outdoor Ceiling Fan is a design unlike any other. This stunning 3 blade fan, with a variety of combinations, will go perfectly in any room of your home. Features a 188 x 25 AC motor, 48 inch or 60 inch blade span, and 21 degree pitch. This fan comes with fanSync included. One 4.5 inch downrod, TR530 hand-held remote control with wall cradle, and Fresnel and Frosted light shades are included. The remote control enables motor on/off, 3 speeds, and light on/off with full range dimming. Fan direction can be reversed using a switch on the fan. Wall controls and other accessories are sold separately. Damp location rated for covered outdoor areas. Note: Not all sizes/finish options available with Matte White blades. Note: To control the fan with both the included hand-held remote control and a wall control, the wall control used must be the WR500 or WR501 wall control with receiver (sold separately). If only a wall control will be used (instead of the included hand-held control), the other compatible wall control options can be used (sold separately).

Shown in matte white / natural
