**DESCRIPTION**

Spitfire Indoor/Outdoor Ceiling Fan with Light is a design unlike any other. This stunning 3 blade fan, with a variety of combinations, will go perfectly in any room of your home. Features a 188 x 25 AC motor, 48 inch or 60 inch blade span, and 21 degree pitch. This fan comes with fanSync included. A BTT9 Bluetooth hand-held remote control is included, with a wall cradle for placing it on the wall if desired. Push button remote control has 3 fan speeds, infinite light levels and off button are included. 19 degree slope standard. Accessory slope ceiling adapter (up to 42 degrees) sold separately. Damp location rated for covered outdoor areas. Note: To control the fan with both the included hand-held remote control and a wall control, the wall control used must be the WR501 wall control with receiver (sold separately). If only a wall control will be used (instead of the included hand-held control), the other compatible wall control options can be used (sold separately).
