## Ersa Vertical Chandelier By Brand Van Egmond

### Description

The Ersa Vertical Chandelier, named for the Greek Goddess of dew, draws inspiration from nature's dew drops formed throughout the night and glistening in the first rays of light. This sculptural masterpiece brings organic shaped glass and sinewy branches of metal to your space. Available in four sizes. Each fixture is a unique, hand crafted piece, and comes with a certificate of authenticity. NOTE - The two largest sizes require a special rated junction box for fixtures weighing over 50 pounds.
