Infinity Desk Lamp By Humanscale

Description

The Infinity Desk Lamp features a beautiful and minimal aesthetic that complements a wide variety of interiors and spaces. Available in Slate Blue, Linen White, or Ash Black with a Clamp Base or Table Base. Clamp base accommodates desks with thicknesses of 0.36 to 2 inches. Single LED light source casts just one shadow. Constant torque Forever Hinges ensure stability and eliminate the need for adjustments, even after a decade of use. User control indicator lights fade after adjustment to reduce visual clutter. PIR occupancy sensor senses body heat to automatically shut off when no one is present. Dimming feature offers nine levels of brightness and remembers preferred user settings. Nightlight feature provides an ultra-low light setting with occupancy sensor disabled.
