Kreten Concrete Side Table By Souda

Description

The Kreten Concrete Side Table, designed by Isaac Friedman-Heiman, brings an industrial, organic and sculptural, look to your interior space. This table is unlike any side table you've have seen before. Each piece is created in Souda's Brooklyn studio by casting concrete into a spandex mold. The unique material combination delivers forms that are sure to make a statement in interiors and exteriors alike.

Shown in grey
