12V Twin Bar LED Accent Light By Hunza Lighting

Description

The Pure LED Twin Bar LED Accent Light features two spot lights which can be aimed in two entirely different directions, making it ideal for wall or sign illumination. Head has a fully adjustable arm allowing 360 degree rotation and 0 to 90 degree elevation adjustment. Available in 316 Stainless Steel, Copper, or powder coat Black or Bronze finish with extra clear shatter resistant step glass lens. Includes one Cree XHP-50-2 LED module in three wattage/lumen output options and four beam spread options. Includes integral 12 volt Hunza integral driver (D3=2X1W/350mA, D7=2X2W/700mA, D10=2X3W/1050mA) and two 6 inch ground stakes. Incorporates innovative plug-and-play system for easy replacement or upgrade of either LED engine or integral driver. IP66 rated for wet locations. Required transformer and optional accessories sold separately.
