12V 300 Series LED Bollard Light

By Hunza Lighting

Description

The Pure LED Bollard 300 is ideal for garden edges. The lens has a mirror finish twin angle reflector and UV stable acrylic lens with anti-glare mesh. This lens reflects light at two angles, directly onto the ground and horizontally to illuminate the surrounding landscape. Includes XHP-50-2 LED module in three color temperature, wattage and lumen output options, and integral 12 volt Hunza driver (D3=2W/350mA, D7=4W/700mA, D10=6W/1050mA). Supplied with 6 inch stake. Incorporates innovative plug-and-play system for easy replacement or upgrade of either LED engine or integral driver. IP56/IP66 rated for wet locations. Required transformer and optional accessories sold separately. Dimmer type dependent on type of transformer/power supply selected (low voltage electronic or low voltage magnetic).
