12V 300 Series Halogen Bollard Light By Hunza Lighting

Description

The 300 Series Halogen Bollard Light is ideal for garden edges. The lens has a mirror finish twin angle reflector and UV stable acrylic lens with anti-glare mesh. This lens reflects light at two angles, directly onto the ground and horizontally to illuminate the surrounding landscape. Supplied with 6 inch stake. IP56/IP66 rated for wet locations. Required transformer and optional accessories sold separately. Dimmer type dependent on type of transformer/power supply selected (low voltage electronic or low voltage magnetic).
