12V Euro Twin LED Path Light

By Hunza Lighting

Description

The Pure LED Euro Twin Path Lite is an extra compact luminaire, designed for installations where the fixture needs to be unobstructive or concealed. Each spotlight can be aimed in any direction, making it ideal for path lighting and tree lighting, or the heads may be aimed downward to eliminate vertical light. Features fully adjustable arms with 360 degree rotation and 0-90 degree elevation with a built-in glare guard. Includes Cree XHP-50-2 LED module in three color temperatures, two wattage and lumen output options, four beam angle options, and integral plug and play 12 volt Hunza driver (D3=2W/350mA, D7=4W/700mA). IP56/IP66 rated for wet locations. Required transformer and optional accessories sold separately. Dimmer type dependent on type of transformer/power supply selected (low voltage electronic or low voltage magnetic).
