2X4 Plus Pendant By AlexAllen Studio

Description

The 2x4 Plus Pendant celebrates the minimal and ordinary with a silhouette inspired and made of the most common piece of dimensional lumber, the ever simple 2x4. The 2x4 Plus is composed of two intersecting pieces and is transformed into a beautiful fixture with luxurious touches that will suit a variety of interiors. Available in Natural, Black-Dyed, or Whitewashed Eastern White Pine paired with Brushed Brass, Brushed Steel, Blackened Steel, or Satin White end caps. The Natural and Whitewashed Pine options include a White cord and canopy while the Black-Dyed Pine option includes a Black cord and canopy. The universal driver makes this fixture suitable for TRIAC/ELV dimming as well as 0-10V dimming.

Shown in brushed brass / black-dyed pine
