Legrand Adorne

DESCRIPTION

The Adorne Touch 0-10V Dimmer is perfect anywhere you'd like to turn lights on and off with the touch of a finger and enhance the control with the option to dim. The Touch Dimmer features a stunning translucent, glass-like face and operates just like an iPod. Available in White, Graphite or Magnesium finish. Use on its own to control a light from one location (single pole operation) or pair with a 3-way switch to control a single light source from two locations (3-way operation). Load: Fluorescent and LED Loads. Pair with matching Touch Switch to create a uniform look throughout. Requires an Adorne wall plate, sold separately.
