

BRAND Contardi

DESCRIPTION

The Calypso Guadeloupe Outdoor Pendant is a collection of lamps inspired by the forties. They show a connection with the tropical and Southern American world, where the European deco style, characterized by geometric lines and black and whites, is twisted and revitalized thanks to bright colors, patterns, and twine. Features a Satin Brass finish with a clear glass diffuser. Small option includes a green waterproof braided suspension cord. Large option includes a moss green cord. Note: The fabrics used for the outdoor collections are waterproof and/or water repellent.
