## Calypso Antigua Outdoor Pendant

By Contardi

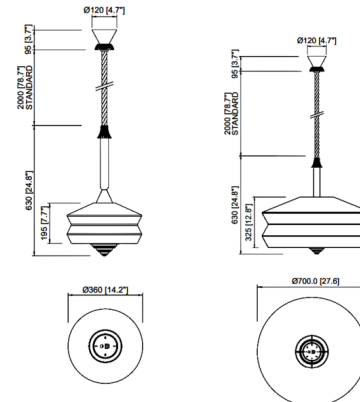

### Description

The Calypso Antigua Pendant is a collection of lamps inspired by the 1940s. They show a connection with the tropical and Southern American world, where the European deco style, characterized by geometric lines and black and whites, is twisted and revitalized thanks to bright colors, patterns, and twine. Includes a green waterproof braided suspension cord. Note: The fabrics used for the outdoor collection are waterproof and/or water repellent. The 27.6 inch size is only available in Mint Multi color.

Shown in matte gold / mint multi
