Echo Ceiling Light

By Oxygen by Quorum

Description

The Echo Ceiling Light introduces texture into your space with its White Grass drum shade made of natural bamboo diffuser. The shade is complemented by a steel frame and an acrylic finial, creating a fresh look that works well in transitional settings. A white acrylic diffuser under the shade softens the light. The emergency backup option includes a backup battery with a 90 minute run time and 32 hour recharge time. This backup option is ETL listed, and the option without emergency backup is UL listed.
