Whistle Pendant

By Brokis

Description

The Whistle Pendant is inspired by the blowpipe, known as a glass-maker's whistle. The shape and the cable winding its way up through the body of the light definte the character of its simple form. Fitted with a special integrated connector developed by Brokis to facilitate installation and cleaning. Available with a variety of glass and finish options. NOTE: Cord Length must be specified upon ordering and is not field-adjustable. Please contact our sales team.

Shown in copper / white cord / clear
