Atwater 120V Outdoor Post / Pier Mount

By Hinkley Lighting

Description

Classic and elegant, the Atwater 120V Outdoor Post / Pier Mount offers beauty and endurance. Constructed from a composite material and treated with an anti-fading agent, the updated coastal design incorporates elegant Brass accents and an inner Clear Seedy glass that creates a faux candle effect. The finish is resistant to rust and corrosion. Hinkley post lights are compatible with two types of base; order either a pier mount fitter or post depending on the application. Note: LED option is Title 24 Compliant with included bulb.
